# GEORGIA PEACHES HERE THIS SUMMER

Georgia Peach Truck rolls into town with whole boxes of Rolling Freestones®, the farm-to-street freestone peaches from our authentic Peach State.

Freestone peaches are the peak season varieties to purchase by the box, because they freely separate from their pits for slicing in the kitchen or eating fresh out of hand.

Share a box this summer, and cook, can, or freeze a box for winter!

## **\$45 PER BOX - NO LIMIT**

Each box contains one half bushel by volume that weighs approximately 25 pounds.

Cash accepted, card preferred.
